## What have I been doing since high school?

In 1969, I married Jackie Hays '67, we had our daughter, Candy, who is now thirty-nine years old and has a wonderful husband Thomas (Bubba) and two handsome boys. They are terrific kids, the oldest is Tyler he is fifteen and Trey is nine years old, and they both are all boy. Candy and Bubba are the greatest parents, they believe in 4-H and Future Farmers of America. Tyler won first place in heifers in the San Antonio stock show and now is in the school rodeo doing heading and healing, this is his first year and he loves it, he is also a hunting machine. Trey won grand champion hog in the local Bastrop County Fair and he is a big fan of the Dukes of Hazard and wants to be a race car driver.

Jackie and I divorced in 1970. I then married Mike Crutcher '68 in 1971 - we were married for almost fifteen years. We had two children, Dana is thirty-three, and Mikey is thirty-one. Dana has two children, a daughter Olivia four years old and a son Max who is eighteen months, they are so special. Dana and her husband, Colin lived in Colorado for ten years until they finally moved home last year so that Maw Maw and Paw Paw could be in their lives, they are so special. My son Mikey is still single waiting on the right one.

Mike and I moved to Bastrop in 1983. As time went by we were going in two different directions and ended in divorce in 1985. After moving to the small town (Bastrop) the change of pace is amazing. Bastrop had dances where the whole family would attend. Things were really laid back here, what a different world. I love it.

I met my husband, David Goertz in 1986, we developed a relationship through work, he worked for a local bank and I worked for an attorney's office and we married in 1987. David comes from a family of ten children, wow! What an adjustment. This past Christmas we had sixty plus for Christmas at our home. I am really blessed to have both my family and David's family all under one roof for Christmas. Bastrop has really been good for me and I am very lucky to have lived here for the past twenty six years and raise my children here. David had a daughter from a previous marriage, she is twenty-four and getting married in California in July of 2010. We are really looking forward to the wedding.

I would like to share a few of my many memories I had growing up in Channelview: I still remember, when I was very young, going to Judy Boeker's '69 house to play. How very special that was. I think about Judy from time to time and hope and pray that she is okay. Jackie Carnathan '69, okay, she out shined me in every way, but I truly loved Jackie and looked up to her. Sandy Cummings '68, was always my want-a-be. I thought that she was so special. Sandy and I have recently reconnected.

Georgia Wilburn '67, I played volleyball with her. To this very day she is my inspiration. Georgia and I still stay in touch through my brother Rick Robichaux '72. I remember playing volleyball with these girls, Paula Melton '67, Georgia Wilburb '67, Pat Peterson '68, Linda Cheek '68, Sandra Mayon '68 and Sandy Carroll '67. They were who I looked up to. How special they were and they didn't even know it.

So, that sums up the past from 1969 to 2010, working, raising children, and dealing with the day to day struggles that most all of us deal with. You know if I only have a few words to pass on to the all my school mates, friends and loved ones, it would be that love knows no bounds and treasure every moment that you have with each other. Your memories are your own and they are sure worth keeping. Who am I? I am Ann Robichaux.
