## What have I been doing since high school?

I've been working for Lyondell for 20 years. I married Fred Massey in 1985. We merged our families (my two sons Jeff and Randall Helmcamp and his daughter, Jennifer). All three of our children were married within an 18 month span. We immediately inherited a 4 year old grandson (who is now 14) and 3 more children Linda, Shannon and Jody. Now we have a total of 6 grandchildren and a seventh due in April 2006.

I also take ya ya trips each year with Phyllis Stafford Sharp, Ronnie Lou Baldon, and Denise Roesler Vessels. I also get to take trips with Helen Dworsky (Debbie Campbell joins us at times).

School was fun and this life has been a blessed journey. God has blessed me with wonderful and loving family and friends. Who am I? I am Jackie Carnathan.
