## What have I been doing since high school?

I started in the paint manufacturing business in 1974. While going to the University of Houston, I went from manufacturing to Retail Paint Sales. I then went to Outside Paint Sales. To complete my career I then went into Industrial Paint Sales, where I have been since 1985. I now travel North and Central America in Locomotive Paint Sales. I have been doing this since 1993. Because of my travel, I don't think I will ever retire completely. I enjoy what I do and the people I do it with.

Barbara and I met in 1988. Our daughters were on the same team of which I was the coach. We got married in 1993 and are living happily ever after.

I travel North and Central America selling Coatings for Locomotives. My hobbies include my wife Barbara, our Children and Grand children, Drag Racing, riding my Harley Davidson Road King Custom, and Vacationing. I also enjoy seeing all my classmates at Committee Meetings and Reunions. I am very active at Old River Terrace United Methodist Church, Channelview. Who am I, I am James Mason.
