Another Channelview, Texas High School classmate from the class of 1969 has passed away. All of us that grew up together are losing a bit of our memories of our past. Jane was a good person and is now in a better place.

I met Jane as a young boy in elementary school but have not seen her since graduating in 1969. She was always such a sweet person with a big smile. My thoughts and prayers are with her family.

Have known Jane since 1st grade at Channelview Elementary School. We were good buddies right until graduation in 1969. She was a joy to know and be around, always cheerful, and such a sweet person. Lost touch with Jane after school, but never in my heart. My heart goes out to Nikky, Pat, Kevin, and the rest of the family. I am so sorry for your loss. She was a gift to many, many people and I am grateful.
