## What have I been doing since high school?

I went to San Jacinto Junior College for two and a half years, got married, and started my family. When my youngest child started school, I went back to school to get enough hours to teach school. I taught for about nine years. Then I left the school system to be a secretary for an insurance agency. I decided I liked school hours better so I got a job as a school secretary and have been doing that for fifteen years. I have two daughters and they both teach school. I have been married twice and am now single.

I spend most of my time with my five grandchildren, people I work with and church friends. I am a member of the Channelette Alumni Association, the Red Hat Society, and University Baptist Church. I stay busy all the time and enjoy playing pool, country western dancing, dating, and watching the Texas Longhorns. Who am I? I am Marilyn Thompson.
