## What have I been doing since high school?

During my senior year at Channelview High I spent hours planning my wedding to George Sharp, (a 1966 graduate of Channelview High School). He had been serving his country in Viet Nam and upon his return home in 1969 we were married. We celebrated our thirty-six wedding anniversary in 2005.

I attended Southern Business College and have always found enjoyment dealing directly with the public. Currently I work for Lyondell Chemical in their Houston corporate office as a Lead Customer Service Specialist within the Supply Chain. I have two wonderful children, a daughter-in-law, and four grand-cats and one grand-dog. George and I enjoy ship cruises when we can get away.

I care for my parents now; mother is in the late stages of Alzheimer's and my father lives with George and me. This is probably the hardest thing we have ever dealt with.

I have helped plan and host each of our Class of '69 Reunions. Each gathering has been special to me. We even created a huge papier-mâché Freddie Falcon for the twenty-fifth year reunion event. I do carry the title of "Ya Ya" within my sisterhood of friends, Jackie Carnathan '69, Denise Roesler '69, and Ronnie Lou Baldon '69. Who Am I, well I am Phyllis Stafford (Sharp).
