What have I been doing since high school?

After high school I went to work as a welder, I also married in 1969. We had two boys and after ten years we divorced. I lived in Channelview staying active in the 4H, FFA and YMCA clubs until my sons graduated high School. In 1976 I went into business for myself, and in 1982 I married my present wife Shirley who had two children of her own. Shirley and I are working on our twenty-eight year of marriage and have seven grandchildren.

In 1984 I went to work for a chemical company in Beaumont, Texas. I work with the engineering group as a Construction Coordinator. In 1989 Shirley and I moved to Winnie, Texas and we love the people in this area.

Like most folks my hobbies were fishing and hunting when we weren't feeding are showing show steers. The kids decide to join high school rodeo, along with football, baseball, volleyball and show steers. So we added horses to the feed bill. After the three boys left home for college there was only one child still living at home with us.

With only having one child in the house Shirley and I didn't know what to do with all of our free time. After a couple of years I started a rodeo game; calf roping then started team roping. After fourteen years of roping, work, age and pounds all caught up with me so we sold the cattle and horses. We bought a boat and now we take the grandkids fishing. Life is good, who am I? I am Robert Taylor.
